Military. The 57th Regiment, Col. McMullon, will arrive at Indianapolis next week from Richmond. The Regiment will, in all probability, be sent forward to Kentucky in a few days afterwards.

Lient, Delzell, of Capt. Bracken's cavalry company, arrived at home on Thursday .-He and a small guard from the company brought five political prisoners from Western Virginia to Columbus, Ohio. Lieut. Delzell. reports a part of the company at Cheat Mountain, a part at Beverly, and another portion trying to get to some other point through the mud.

Major Locke, Paymaster in the United States Army, was at his home in Indianapolis on Thursday. He left for Kentucky yesterday to finish paying the 15th and 17th regiments-s work which he commenced before those regiments left Western Virginia.

The Paymasters gladdened the 34th regiment, Col. Steele, and the 36th, Col. Grose, at New Haven, by paying them off last week.

The Wheeling Intelligencer of the 27th says: "The soldiers up in Cheat Mountain bave built a very respectable monntain city i in which to house this winter. When the disadvantages under which the men had to labor are taken into consideration, it will appear that a gigantic work has been perform ed. One brigade had no tools except a few axes, one "secesh" auger, one do. adze, one do drawknife, and with this meager supply four thousand men had to work. The greater part of the lumber had to be brought from a distance of half a mile, and that on the backs of the men. It is a novel as well as a pitiable sight to see from twenty to twentyfive men staggering along beneath a hugh To Merom. pine, and fairly dropping when they arrive. from pure exhaustion. All the regiments in Indiana anywise near full, will be ordered into the field in a few days. Their destination, we presume, will be Kentucky. The Federal forces in a few weeks, will have possession of both Columbus and Nashville.

The number of Army wagons vesterday, cays the Indianapolis Journal, about the buildings occupied by the United States Quartermaster-opposite Little's Hotel and opposite the Union Depot-were indicative of active operations in fitting out the troops now organi sing for service.

The Adjutant General of Maine reports that the State now has in the service, in its own regiments, 9,729 men; in forts along the coast, 1,082 men; total, 10,711. In addition. there are enough men in regiments now recraiting at home to swell the total to 15,261. men. No account is taken of the thousands who have enlisted on the sea.

The Indianapolis Journal of yesterday says the 47th regiment, Col. Slack, paraded the street, making a fine appearance. This regiment is soon to leave for the seat of war in Kentucky.

SARRAPAR! A .- This tropical root has his a reputation wide as the world, for curing one class of disorders that afflict mankind-a reputation too, which it deserves as the best antidote we possess for scrofulous complair ... But to be brought into use, its virtues must be concentrated and combined with other medicines that increase its power. Some reli able compound of this character is much needed in this community.
